Child Protection Policy Statement

Broxburn Athletic is fully committed to promoting, supporting and safeguarding the wellbeing of all children in its care. We recognise the child's right to protection as provided in Article 19 of the UNRC: all forms of physical or mental violence, injury and abuse, neglect or negligent treatment, maltreatment or exploitation, including sexual abuse. 'Child protection' means protecting a child from child abuse or neglect as stated within the National Guidance for Child Protection in Scotland 2014.

For the purposes of this policy a child is recognised as someone under the age of 18 years. This policy applies to all children regardless of age, gender, sexual orientation, disability, race, religion, socio-economic status or family circumstance.

Broxburn Athletic will:

- Respect the rights of children as paramount.
- Promote the rights and wellbeing of children by providing opportunities for them to take part in football safely.
- Promote and implement appropriate procedures to safeguard the wellbeing of children and protect them from abuse, ensuring they know what to do and who they can speak to if they need help.
- Require members of staff and volunteers to adopt and abide by this policy and sign up to the Code of Conduct for Safeguarding Children's Wellbeing.
- Safely recruit and select individuals who will be working with children to ensure appropriate measures have been taken and risk assessed when needed.
- Train, support and supervise its members of staff and volunteers to adopt best practice to safeguard and protect children from abuse and reduce risks.
- Respond to any allegations of poor practice, misconduct or abuse of children in line with procedures as well as implementing, where appropriate, the relevant disciplinary and appeals procedures.
- Observe guidelines issued by local Child Protection Committees for the protection of children.
- Regularly monitor and evaluate the implementation of this policy, these procedures and associated safeguards and include children's views in this process.

REVIEW

This policy, and associated policies, procedures and safeguards will be regularly reviewed and will include children's participation and feedback on the content and actual experience of implementation as part of the review:

- In accordance with changes in legislation and guidance on children's rights or following any changes within the Scottish FA.
- Following any issue or concern raised about children's rights being denied within the Scottish FA.
- In all other circumstances, at least every three years.
